AROUND *the* TOWNSHIP

Weather handicaps were expected to fade today to permit an auspicious opening of the seventh annual bulb show at the growing grounds and offices of the California Nursery Company. More sunshine and fewer winds will bring more visitors to this intensely interesting event.

* * * *

Eyes of the residents of the township and visitors from farther removed places are due for an opening Sunday afternoon when they accept the invitation of the Berge Mortuary Company of Niles to inspect the new quarters and equipment. Advance information is to the effect that the establishment is comparable to that to be found in communities of much larger population.

* * * *

Sunshine makes crops and flowers and stuff, but it also contributes a lot to the disposition of the individual, as witness the brighter faces and better feelings of those engaged in retail trade over the township.

* * * *

Two township boys will appear on the card at Livermore tonight and when the smoke of fisticuffs clears away there may be evidences of the bacon. Al Maria, 135 pounds, will mix it up in his fourth appearance with two k. O.'s and a draw to his credit. "Dutch" Green, 185 pounds, is a newcomer to these parts and will make his debut to fight fans of this vicinity.

* * * *

Agricultural teachers numbering more than a score will be guests at Washington High School tomorrow in an all-day meeting, with Paul Dougherty, local farm bureau director, serving as host. In addition to the business and discussions of the South Coast Region of the association, the teachers will be served lunch in the cafeteria and witness visual education methods demonstrations.

GRADE PUPILS WRITE ON FIRE PROTECTION

NILES—Pupils of the Seventh and Eighth Grades of the Niles Grammar School are engaged in an essay contest sponsored by the Niles Fire Department on the subject, "What the Fire Department Means to Our Community." The contest will continue until the first of April.

Essays are limited to four hundred words. Judges are D. R. Rees, Mrs. J. A. Silva and Mrs. Gladys Williamson.

BODY OF S. F. MAN FOUND ON TRACKS

NILES—Joseph Ellery Tollison, 58, of San Francisco, was found dead on the Western Pacific tracks Thursday morning of last week, presumably having died of heart failure. The body was taken to Pratt's Mortuary in Hayward.

Seek Location For Machinery Making Business

NILES—J. Boyce Smith, publisher of The Township Register and George C. Roeding, Jr., president of the California Nursery Company, are the two new directors for the Niles Chamber of Commerce, following an election held at Monday's meeting. Other officers who were re-elected are W. B. Kirk, president; C. W. Kraft and George Bonde, vice-presidents; A. J. Petsche, secretary; Robert Blacow, treasurer; and F. V. Jones and Dr. E. C. Grau, directors.

Next Monday's meeting of the Chamber of Commerce has been postponed due to the joint meeting of the Niles and the Hayward Rotary Clubs on that date.

Possibility that another new concern will be located in Niles developed Monday when Bradley O. Best of San Leandro conferred with members of the Chamber of Commerce regarding a location for a road machinery equipment manufacturing concern. It is understood that the Kraftile plant on the Nursery Road is considering a cooperative plan.

The new concern would employ about 150 men.

A suggestion that the Chamber of Commerce proceed with the original suggestion to install neon entrance signs on the new highway was made by C. W. Kraft. Vieux Brothers, local elestricians, are expected to present an estimate of cost and installation at an early meeting.

School Children Learn Of Living Things In State

CENTERVILLE — Attractive pamphlets giving information regarding California's wild life and trees and flowers were distributed this past week to the public schools by the Betsy Ross Parlor of the Native Daughters in observation of Conservation Week.

California was the first state to select a state insect and the Dogface (Zerene eurydice) was chosen, the butterfly measuring about two inches across, the male being orange with black border markings and the female, orange-yellow without pattern except for a small black spot on the upper wings.

Although the grizzly bear is supposed to be the state animal, none are to be found. All of them were killed before people became conservation-conscious. The antelope, beaver and fur-bearing sea otter have also been destroyed.

The California poppy is the state flower; the valley quail, the state bird; and the Redwood, the state tree. The Coast Redwood (Sequoia sempervirens) was named for Sequoia, famous Cherokee Indian. The tallest is 364 feet high. The giant Sequoias (Sequoia gigantea) are the largest and the oldest living things in the world and are peculiar to the High Sierra Nevada mountains.

The largest tree in the world, "General Sherman," is 36½ feet through five feet above the ground and is in Sequoia National Park. "General Grant", the Nation's Christmas Tree, is in the same park. It was voted by the school children of the nation, the United States Tree.

EASTER COMMUNION

CENTERVILLE — The Easter communion of the Centerville Lodge of the Knights of Columbus will be held at the Holy Ghost church on Sunday, March 20. The service will be followed with a breakfast to be arranged by the following committee:

NEWARK MERCHANTS

NEWARK—The Newark Junior Chamber of Commerce will again sponsor the local baseball team, "The Newark Merchants." Decision to this effect was made at a recent meeting and Tony Martin was appointed manager.

LOCAL ROTARIANS WILL MEET WITH HAYWARD CLUB MONDAY

NILES— An inter-city luncheon meeting of the Niles and the Hayward Rotary Clubs will be held at the Green Shutter Hotel next Monday. The program will be furnished by the Niles club with George C. Roeding, Jr., as speaker.

At last week's meeting, slides showing the progress of the Golden Gate Exposition were shown at the Hotel Belvoir by J. D. Holland. Guests inrluded Sterling Doughty of Hayward, Leslie Boyd of San Leandro and George C. Roeding, Jr., of Oakland.

Poets Dinner To Attract Many Of Township Writers

That Southern Alameda County and Washington Township particularly will be well represented at the 12th annual Poets' Dinner to be held at the Women's City Club on Saturday night, March 26, at 6:30 o'clock seems evident from the line up of program, hostesses and various contributions.

The Niles Junior Chamber of Commerce, represented by President Lewis Lewis and Past President Lawrence Sharpe, are to take in a truck-load of flowers from Niles, much of them to be contributed by the California Nursery Company. Mrs. George C. Roeding, Jr., has offered suggestions for their arrangements.

Burgundy from the famous Concannon Vineyard at Livermore will be served with the dinner. The cover design for programs has been completed by Ethel Grau of Niles. Musical numbers will include eight-hand piano numbers by Henri Salz, Mr. and Mrs. Dwight Thornburg and Miss Marcella Norris. George Wilson of the Hayward Union High School is to be the dramatic reader.

A speaker and a reader of the prize poems comes from San Jose State Teachers Collebe and a vocalist from San Francisco. For the first time students at the Pleasanton high school are competing for prizes in the poetry contest. A table has been reserved for Pleasanton folk headed by Ernest Schween.

The poetry contest closes next Wednesday. Reservations should be made with Theresa Moore, 1212 Milvia st., Berkeley, $1.25 each. Send stamped, self-addressed enpelopes with checks for return of tickets.

TOWNSHIP RESIDENT OUTSTANDING MEMBER OF L. A. MOVIE CAST

CENTERVILLE — Local radio fans had the pleasure of hearing one of their neighbors on the "Merrily We Live" broadcast March 3, when Clarence Kolb took part in the Metro-Goldwyn-Mayer program originating in Los Angeles. Kolb is to be seen in the second lead in the picture to be released soon but has been mentioned by commentators as one of the outstanding members of the cast.

Until about 10 years ago, Kolb was a member of the famous "Kolb and Dill" vaudeville team. They played before packed houses all over the West and retired to a certain extent when the depression slowed down engagement of vaudeville performers. Max Dill, Kolb's former partner is director of WPA theatrical work in San Francisco.

Mr. and Mrs. Kolb reside in their home on the Centerville-Newark highway and spend much of their time in the township.

ELECTED TO DISTRICT OFFICE

NILES—Mrs. Fern Mitte was elected treasurer of the Past District Deputies Association at a luncheon held at the Hotel Coit, Oakland last Friday. New officers will be installed at the Elmhurst hall on the evening of April 11. Mrs. Hannah Post, president of the association will be the installing officer, assisted by Mrs. Le Von Sorenson, installing marshall. Mrs. Sorenson also attended the luncheon last Friday.

Varied Topics Of Farming Heard At Meeting Of Center

CENTERVILLE—A discussion of the proposed apricot prorate for California by Joseph Shinn, Jr., state committeeman, and reports on water conservation, soil eroision, weed control, the imported egg problem, farm labor and other subjects of interest to Washington Township farmers were included in this week's program of the Washington-Eden Farm Center at the Washington Union High School.

The center went on record as favoring the move being made by the Hayward Chamber of Commerce to secure the establishment of an experimental laboratory for the agricultural industry. The secretary was instructed to notify directors of the Alameda County Farm Bureau that the center endorsed the efforts of the Hayward Chamber of Commerce and asked that the county officers do all possible to bring about the establishment of the laboratory at Hayward.

C. A. Rinderspacher stated that he felt Alameda County had an excellent chance to secure one of the four experimental laboratories to be placed in various parts of the country. The Farm Bill provides $1,000,000 each for these stations which will study the possible uses of the products and by-products of the farms and of the agricultural industries.

Endorsement by the Economic Planning Conference of the water conservation plan advocated by the Alameda County Water District providing for the construction of a dam on the Arroyo Del Valle Creek in the Livermore hills, was reported by Franklin Brown.

R. C. Kennedy gave a report of he conference recommendations regarding soil conservation and adjustment of tax assessments on hill lands. Herbert Young stressed the employment of seasonal labor through properly licensed and bonded contractors and the need for farmers to meet and agree on a definite wage scale. Reports were also made on 4-H club work by Jeryl Fry and on tomatoes by Joe Langdon.

Following the program, Director Paul Dougherty invited all present to stay for refreshments served in the cafeteria.

George Barron Is Severly Injured On Stockton Beat

Friends of Sergeant George Barron, recently transferred from the Alameda County Highway Patrol to Stockton, were sorry to hear last week of his severe injuries received when he was struck by a trailer while on duty at Stockton. He will be in the St. Joseph's Hospital at Stockton for five weeks recovering from concussion of the brain, fractured skull, fractured pelvis and a broken collar bone. His condition is favorable if no complications occur.

J. C. Wasley, principal of the Alvarado Grammar School and Tom Scales principal of the Irvington Grammar School, called on Sergeant Barron and found him in good spirits.

Until his transfer a few weeks ago, Barron was in charge of the Junior Traffic Patrol reserves of Southern Alameda County where he made hundreds of friends among the boys and their parents. He is in charge of the night patrol for San Joaquin county and has purchased a home at Stockton where his family reside.

SEEK ODD FELLOWS MEETING FOR OAKLAND

NILES—The Eastbay I. O. O. F. Progressive Committee, representing all branches of the order in the Eastbay is asking for the endorsement of all lodges in inviting the Grand Lodge and Rebekah Assembly to hold their sessions in Oakland in May 1939.

Sentiment Found To Favor Junior College Proposal

NILES—Decision to call another mass meeting at the Washington Union High School regarding the proposed Junior College for Southern Alameda County was made at a gathering at the Niles Congregational Church Wednesday night. Announcemet of the date will be made later and the public is urged to attend whether they favor the proposition or not.

The consensus of opinions expressed at Wednesday's meeting indicated a favorable attitude toward the junior college. The only opposing sentiment expressed was by President W. B. Kirk of the Niles Chamber of Commerce who stated his organization was not in favor of the junior college campaign at this time.

Those speaking in favor of bringing the matter to a vote of the people were George C. Roeding, Jr., Mrs. James R. Whipple, Mrs. J. C. Shinn of Niles; County Superintendent of Public Schools Edgar Muller, Elementary Supervisor James Bunker, W. T. Lowe of Newark and others.

H. L. Scott of Niles, trustee of the local high school, expressed a desire for a more representative expression from the residents of Washington Township. E. D. Bristow, principal of the Niles Grammar School, suggested another meeting be held before the matter was voted upon.

A motion made by Tony Garcia of Ashland that the meeting vote in favor of the junior college and request the board of trustees of the four union high schools involved to ask for an election was seconded by W. T. Lowe of Newark. Upon expressions of several that the 35 people present were not represntative of the four districts, the motion was withdrawn in favor of plans for another meeting.

Ralph Anderson, chairman of the education committee of the Hayward Chamber of Commerce, and Digby Smith, secretary-manager of the Hayward Chamber, conducted the meeting.

PAIR SENTENCED FOR VAGRANCY

NILES—Two transients, arrested in a box car at the Niles depot were brought before Judge J. A. Silva Friday and pleaded guilty to vagrancy. Willie Brown, 29, of Staunton, Ill., was sentenced to 12 days in the county jail and Walter Carlson, 21 of Darrel, Montana, 15 days.

Brown stated this was his first arrest and Carlson stated he could not remember how many times he had been "picked up".

Educators Visit Washington High Model Ag Classes

CENTERVILLE—With a view of establishing an agricultural department at the Livermore Union High School, the board of trustees of that school visited the Washington Union High School agricultural department and Future Farmer projects. Present were E. A. Wente, Dr. C. W. Mack, A. N. Christensen and Dr. G. A. Therkof.

President M. J. Overacker and Vice-Principal J. V. Goold acted as hosts together with Paul Dougherty and William D. Mette, instructors. Ed Martinez, Future Farmer, gave an outline of the agricultural classes.

The guests visited the farm shop, had lunch at the cafeteria and spent the afternoon visiting projects. They saw Lionel Rocha's purebred registered Holstein heifer at Newark; John Soares' three registered Duroc gilts on the Creek Road at Niles and David Escobar's 60 head of sheep and 50 lambs at Mission San Jose.

The Pleasanton high school established its agricultural department two years ago, the Hayward high school three years ago and the Washington Union High School seven years ago.

NURSERYMEN DISCUSS LAWS AND STOCKS AT BELVOIR SESSION

NILES— The regular monthly dinner meeting of the Central California Nurserymen's Association was held at the Belvoir Hotel on Thursday night, March 10, with the California Nursery as host. The program featured a discussion of the new state laws on grade and standards of nursery stock.

This group represents 14 counties from Sonoma to Monterey. Officers of the association are T. Domoto of Hayward, president; Richard Plath of San Francisco, vice-president; and Frank Tuttle of San Jose, secretary-treasurer.

Dinner To Welcome Officials Of New Concern To Niles

NILES—Celebration of the opening of Niles' newest industry, the Pacific States Steel Corporation, with a public dinner some time in April was planned at Monday's luncheon meeting of the Chamber of Commerce at the Hotel Belvoir. C. W. Kraft, E. A. Ellsworth and A. J. Petsche were appointed to take charge of arrangements.

It is probable that the new concern will start operations within a few weeks. Work will be finished this week on P. G. & E. construction in excess of $100,000 in power facilities. This includes a new transmission line over a seven-mile route from Mission San Jose on which 50 men have been employed for the past two months.

R. B. Kenyon, director in charge of the Niles plant, discussed plans for the dinner with the local committee Monday.

CANDIDATE CLASS INITIATED INTO WOODMEN OF WORLD

CENTERVILLE— Maple Camp No. 146, Woodmen of the World, held a regular meeting Tuesday night, March 1, in Anderson Hall.

Thirty-five members of Fruitvale Camp in Oakland, including the drill team and ritual officers, braved the stormy night to come to Centerville for the purpose of initiating a class of candidates. The meeting rejuvenated the old Woodmen fraternal spirit in the members of Maple Camp and brought back memories of the days when Centerville was a well known spot in Woodmen circles.

Arthur L. Schaffer, a past district manager and past consul commander of Fruitvale Camp had charge of the ritual work. Captain Harvey Schenck very capably put his drill team through the floor work. Following the meeting refreshments were served.

Consul Commander Manuel W. Lewis and his staff of officers resolved to make this term one of the best in the history of Maple Camp.

Seedbeds or Harvests

"My D4 works hills 50% faster than my former tractor"... says THOMAS C. BETTENCOURT... of Pleasanton.

Tom Bettencourt farms 500 acres in the Tassajara Hills. In the spring he uses his "Caterpillar" Diesel D4 Tractor to prepare the seedbed for grain. In the summer this 35 H.P. tractor pulls a 32 Holt combine harvester. Last year Mr. Bettencourt kept an accurate record of his harvesting costs and here's what he says: "I am very well satisfied with my 'Caterpillar' Diesel Tractor. I saved $190.60 on fuel in 60 days of operation and did 50% better work than with my old tractor."

Why not cut your costs—do better work—in less time with one of these modern tractors. Call at any of our four stores and let us tell you how it can be done.

A LOT OF CAR
for a VERY LOW PRICE

The Standard Tudor Sedan

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equipment that make it a still bigger bargain.

With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon — or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

Discusses Control Of Communicable Diseases At Club

CENTERVILLE—A discussion of detection, prevention and treatment of communicable diseases by Miss Matilda Harris, chief nurse of the Alameda County Public Health Department and clinics featured the meeting of the Country Club of Washington Township last week. Reports of case work were given by two public health nurses, Miss Mary Bushard, who works in Hayward and Washington Township and Miss A. Sanwald of San Leandro.

A film showing aspects of the fight against syphalis sent out by the United States Public Health Department was shown. Miss Harris stressed the importance of protecting youth with information as to cause and treatment of all communicable diseases including social diseases.

Mrs. Roland Bendel gave a report on the recent county federation meeting.

A contribution was made to the penny art fund, designed to encourage art departments in clubs. The money will be used to buy pictures painted by California artists to be given as prizes to clubs doing outstanding work in art departments.

An invitation was received from the California Nursery Company for the members to attend the seventh annual bulb show beginning March 18, and individual invitations are to be mailed to members who, in turn, will mail them to out of town friends, if they so desire. These invitations enable those receiving them to attend without paying admission to the week end shows when a program of entertainment is put on by the nursery.

Mrs. George Bonde reported on the last meeting of the Youth Coordinating Council at the high school.

Endorsement of the proposed junior college was tabled pending further development of the campaign.
